A bit about
BLUE'S

At Blue's, we pride ourselves on the authenticity of our smokehouse specials. Like any great dish it's all about the ingredients and we think we've got them right. Our in house smokers are imported from America and we use only the best hickory and apple to bring the perfect flavour to our dishes. Our recipes, rubs and sauces* are based on smokehouse classics, with some Blue's magic sprinkled on top. If you like "low & slow" you'll love 'em.

* Rubs and sauces are available to buy inhouse.
